SUNRISE

"74"

Mr. Mickey Howard

"He Owns a piece of the Rock"

This year we are dedicating this book to Mr. Mickey Howard, a man with many talents. He has been at Widney for many years, and we are sorry he had to leave.

He is a dedicated teacher in his field which is Science. Other than being a fine teacher, he directed twelve musical productions here at Widney.

He is very humorous, there was never a dull moment in his classes.

We feel he is one of a kind

"Thank You, Mr. Howard. We love you and we miss you.

Mr. Howard rehearsing with one of his many Entertaining musicals. "A Wonderful town"

"Have a drink"

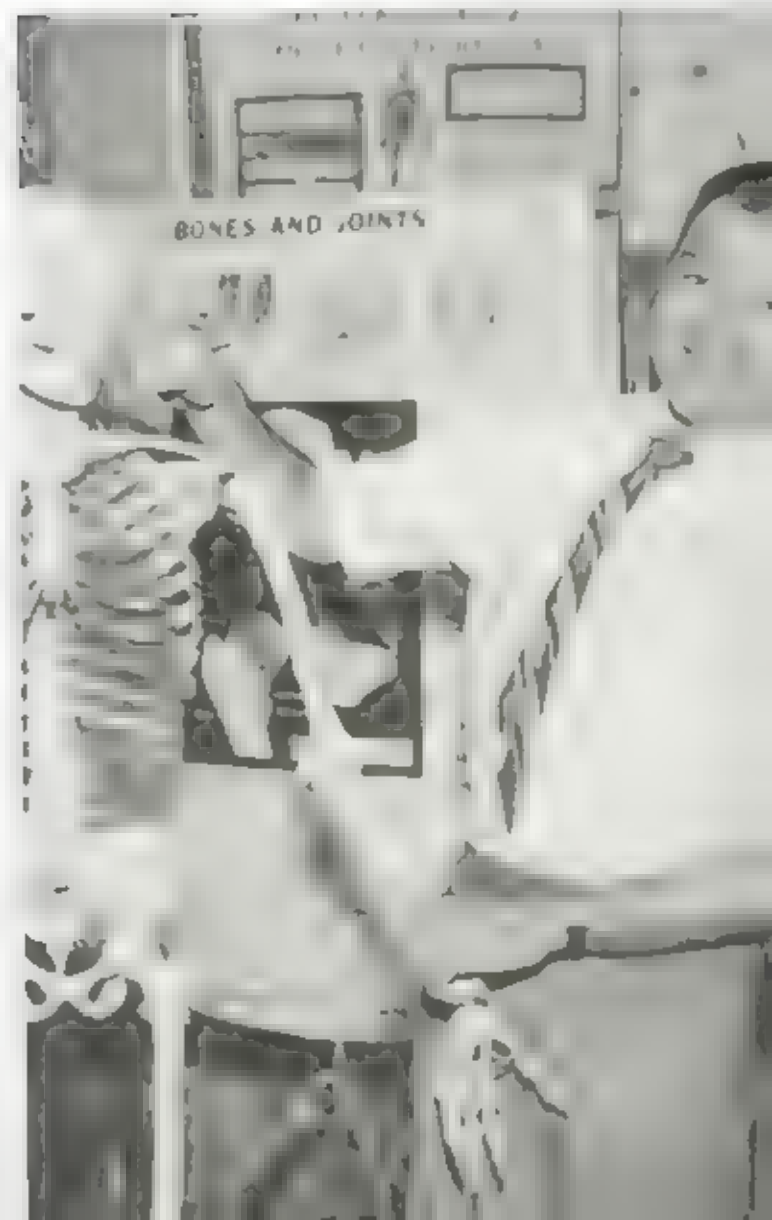

"Say Cheese"

"Gee I wonder what they're talking about"

"Friends to the Bone"

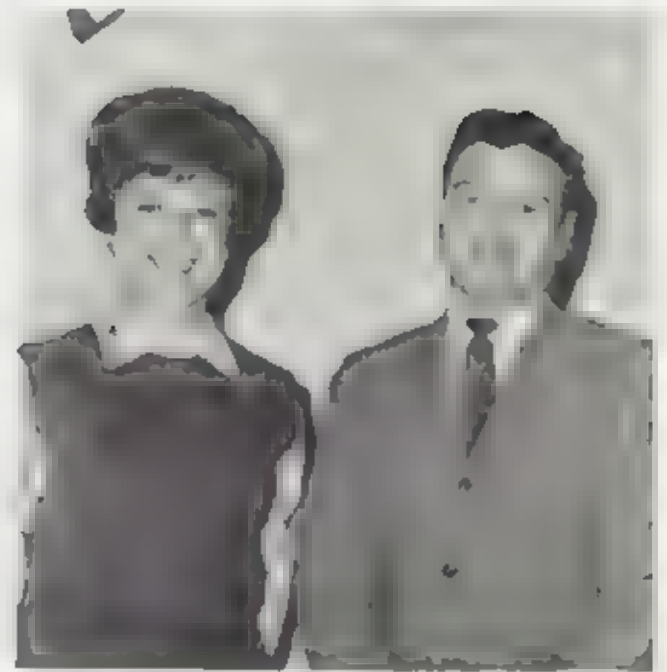

"He always smiles when he thinks"

"Hey there, you with the stars in your eyes"

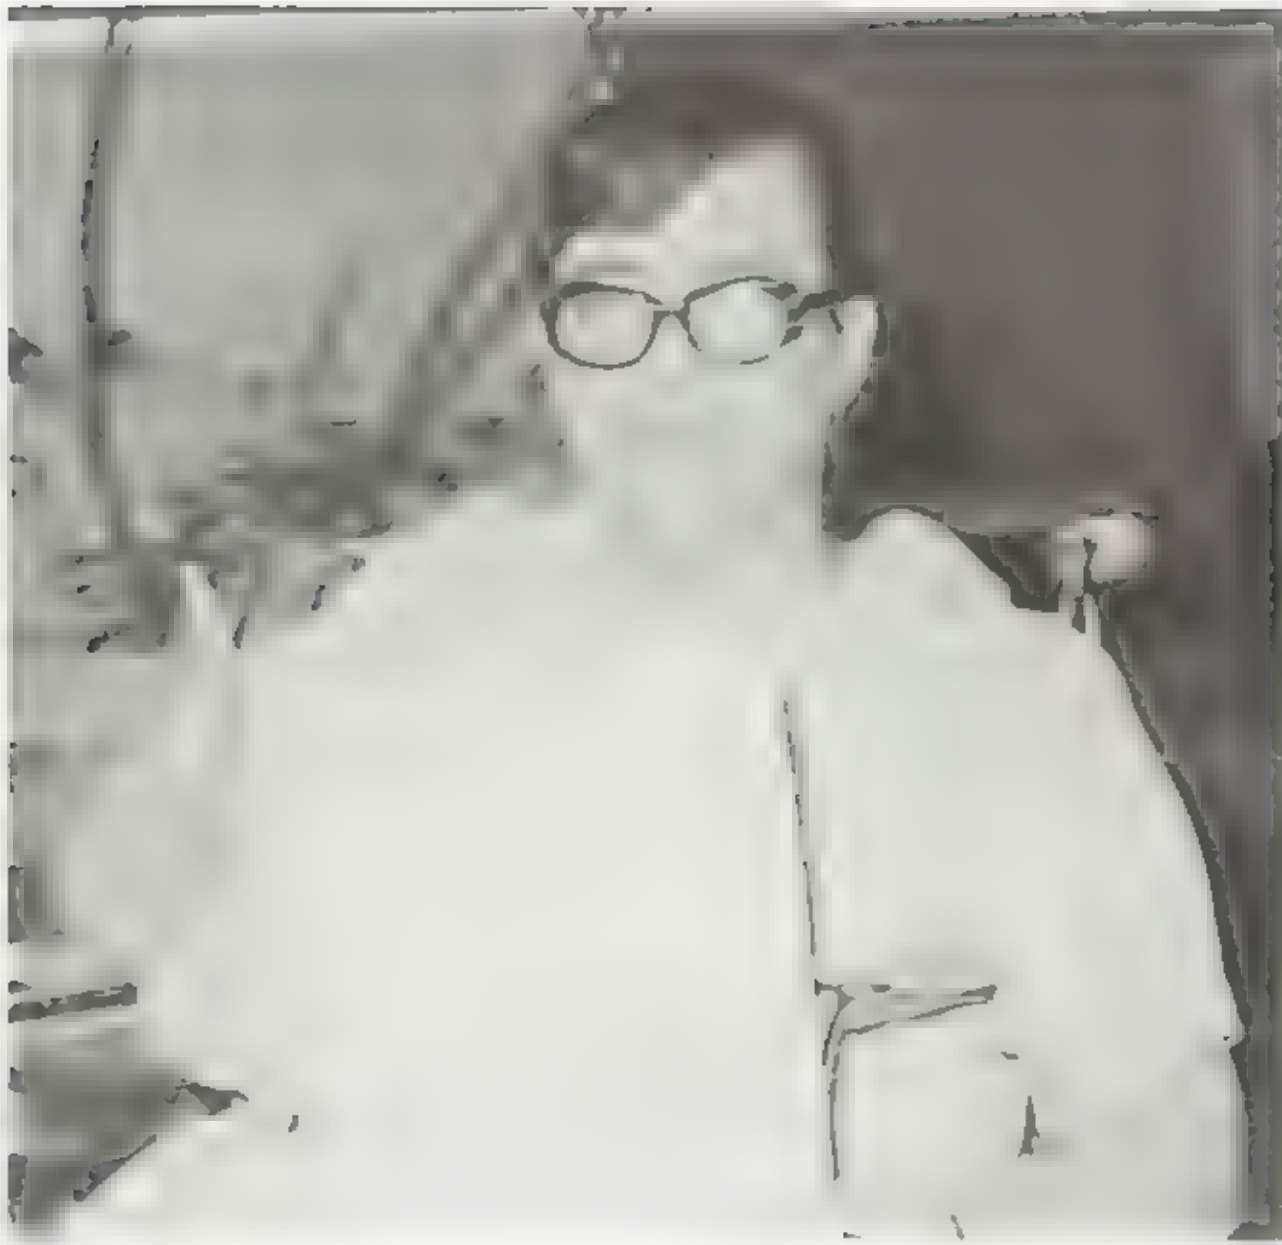

Mr. Howard and our Head Counselor Miss Lavine.

"What is Kationalization?"

GOVERNMENT

Laurie Winston, Student Body President

As my final days at Widney approach it becomes harder and harder to think of leaving. I have spent five great years here and I am grateful to all of the wonderful people who have helped to make them so.

I'm grateful to you for giving me the chance to serve you as your Student Body President. I hope I've proven myself worthy of the support and trust you've given me this past year.

The Best of Luck Always!

Love and Peace,

Laurie

ADMINISTRATION

As graduates of the class of 1974, you will be fortunate to take your place in a world that is not in a shooting war. We will be relying on you to help us continue toward a lasting peace. You must let your voice be heard and, through action, demonstrate respect and acceptance of others as individuals of equal worth.

Best wishes for a bright future,
